**Entry and Notice**

A copy of the petitioner's notice filed on January 26, 2015 shall be included with the petitioner's copy of this Entry.

And having considered such notice, and being duly advised, the court makes the following rulings:

1. There has been no sufficient showing that the customary format for the caption of rulings in this case should not be followed. There was no clerical or other error in the entries issued in this case. The petitioner's request for correction [dkt 6] is therefore **denied**. The customary format will continue to be used.

2. The court is not an "agency" as defined in the Privacy Act. If the petitioner wishes to commence an action pursuant to the Privacy Act he may do so upon submitting a complaint and either paying the filing and administrative fees or seeking waiver of such fees.
